PROFIL

Passionate about web development, I am a full-stack developer with a degree from the Institut Spécialisé de Technologie Appliquée NTIC Sidi Youssef Ben Ali in Marrakech. With experience in designing and developing modern web applications, I excel in technologies such as React.js, Next.js, Node.js, and MongoDB. Motivated, detail-oriented, and always eager to learn, I am seeking an opportunity to apply my skills and contribute to innovative projects.

PROFESSIONAL EXPERIENCE

Web Developer at twily; Marrakech

avril -juillet 2025

Missions :

- Développement et personnalisation de sites WordPress (Elementor, thèmes sur-mesure, plugins personnalisés).
- Intégration et modification de boutiques Shopify (personnalisation de thème, ajout de produits, configuration des collections).
- Collaboration avec les designers et les clients pour livrer des sites web responsives et optimisés.
- Gestion de la sécurité des sites, optimisation de la vitesse et mise en place des bases SEO.

Full-Stack Developer Internship at Delis; Mohammedia

April 2024

Development of an e-commerce website using React.js, Next.js, Node.js, and MongoDB.

- Created several key pages: authentication (NextAuth.js), product page, cart, checkout, and admin dashboard
- Implemented a user and order management system.

Employee at McDonald's; Marrakech

January- juin 2022

Managed transactions at the cash register and processed payments.
